# Message from the President and the Scholarship Chair

Each year, our scholarship program continues to grow — not just in numbers, but in purpose, connection, and community impact.

This year, Truman Heartland Community Foundation awarded more than \$926,450 through 479 scholarship awards to 355 students, thanks to the generosity of donors who believe in the power of education. These scholarships were made possible through 175 named scholarship funds, many of which were created in honor of loved ones or as part of a family's personal legacy.

Since our founding, THCF has awarded more than \$8.4 million in scholarships to students across Eastern Jackson County and the surrounding region. Behind every award is a donor who made an intentional choice to invest in the future — and a student who is ready to make the most of that opportunity.

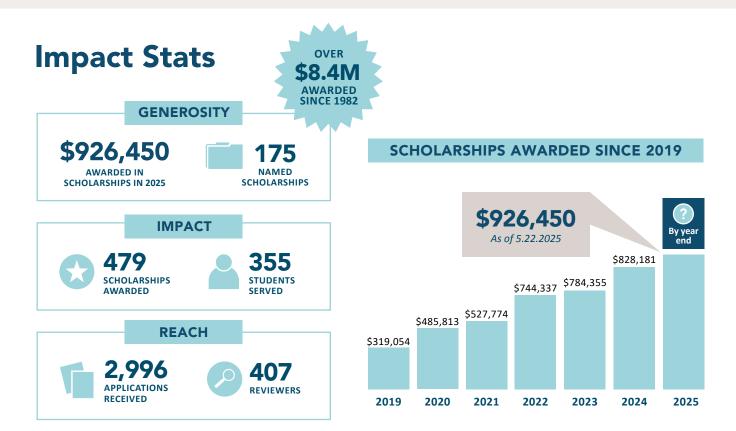

We are also grateful for the incredible work of our volunteers. This season, over 400 individuals from our Board of Directors, Advisory Boards, and the wider community contributed their time to review 2,996 scholarship applications. Their thoughtful participation ensures that every award is considered with care and purpose.

The Scholarship Reception is one of our favorite events of the year because it brings these two groups — donors and students — together in person. Tonight is about gratitude, celebration, and the belief that access to education changes lives.

Thank you for being part of this meaningful work.

Phil Hanson, President and CEO

Dr. Beth Savidge, Scholarship Committee Chair

# Our 2025 Scholarship Recipients

At Truman Heartland Community Foundation, we're proud to partner with donors who believe in the power of education to change lives. Each scholarship listed on the following pages represents a meaningful investment — made possible by individuals, families, and organizations who chose to support students in our region.

These awards reflect a wide range of passions: honoring loved ones, supporting specific fields of study, celebrating service or achievement, or simply giving students the boost they need to keep moving forward.

We are honored to recognize the recipients of more than 479 scholarship awards this year and deeply grateful to the 175 scholarship fundholders who made these awards possible.
